No. G. 4807/50 dated 24-8-1951.

Sir,

Sub: Harijan Welfare Department - Education - South Kanara district - Harijan Welfare school at Chervathur and Paduperar - continuance of staff - further report of the Collector- submitted.

In continuation of my letter No.G. 4807/50 dated 21-5-51 to Government, I enclose a copy of the further report No. D.Dis. 1852/51 dated 27-6-51 from the Collector of South Kanara with copy of letter L. Dis. No.4441-E.2-51 dated 1-6-51 of the Dt. Educational Officer, South Kanara.

In the circumstances explained by the Collector, I request that the Government may be pleased to accord sanction for the appointment of a secondary grade teacher in the scale of Rs.45-3-60-2-90 and a prevocational Instructor in the scale of Rs.35-2-55

My letters Rc. No. S.1. 1852/51 dated 24-1-51 8-2-51, 16-4-51 and 7-5-51.
From the Dt. Educational Officer, South Kanara, L.Dis. 4441/51 dated 1-6-51 (Copy enclosed.)

---

The District Educational Officer, South Kanara who was consulted in the matter states that the further retrenchment of one Teacher's post in Chervathur Harijan Welfare school and another in Paduperar Harijan Welfare school, is not feasible and may not be effected as the efficiency of the schools will be spoiled. A copy of the letter of the Dt. Educational Officer, South Kanara is enclosed. I therefore request that I may kindly be informed whether further retrenchment of teachers may be made in the above mentioned schools.

2. In G.O. Ms. No. 641 F.D. Department dated 14-7-49 sanction was accorded for the conversion of the Paduperar Harijan Welfare school into a Higher Elementary school and for the appointment of one secondary grade teacher in the scale of Rs.45-3-60-2-90 and one Prevocational Instructor in the scale of Rs.35-2-55 from the date of appointment. Accordingly the Paduperar Harijan Welfare school was converted into a Higher Elementary school with effect from the school year 49-50 and one secondary grade and one Prevocational Instructor were appointed with effect from 9-9-49 and 25-10-49 respectively. The secondary grade teacher worked from 9-9-49 to 17-1-50 and then resigned. No substitute was appointed in his place as the average attendance of the school did not justify the appointment of a secondary grade teacher. The Prevocational Instructor worked from 25-10-49 to 30-4-50 and the post was retrenched since then. The school is continuing to be a Higher Elementary school since June 1949, with VII standards. But there is no secondary grade teacher and the Prevocational Instructor for the school. The District Educational Officer, South Kanara has remarked that a fully qualified secondary grade teacher and a Prevocational Instructor may be appointed for the efficiency of the school. I therefore request that the Government may kindly be moved to sanction a secondary grade teacher's post in the scale of Rs.45-3-60 -2-90 and a Prevocational Instructor in the scale of Rs.35-2-55 with effect from the current school year at an early date. The financial implications involved on account of the above proposal is furnished below:--

1. Pay of one secondary Grade Teacher in the scale of Rs.45-3-60-2-90 for one year: 45 x 12 = 540--0--0

2. D.A. at Rs.22/- for 1 year. 22 x 12 = 264--0--0

I enclose herewith copies of the reports of the Dy. Inspectors Mangalore Range and Hosdrug Range.

Further reduction of the staff in either school may not be effected.

The Paduperar Higher Elementary School does not satisfy any of the conditions of efficiency. A fully qualified secondary grade teacher may be appointed as Headmaster as early as possible. A pre-vocational instructor may also be appointed. The school has seven standards including two Higher Elementary standards. 3 teachers cannot manage seven classes. It may have 4 teachers and a prevocational

instructor. The strength of the school is also susceptible of improvement.

Harijan Welfare Department - Paduperar Labour Higher Elementary schools.

Ref: C. No. S.1. 1852/51 dated 11-4-51 of the Collector of South Kanara.

---

Paduperar Labour Higher Elementary school has its temporary recognition for VI standard, extended upto 31-12-1951 in your Rc. No. 13742/E.4/50 dated 31-3-51 VII standard which had been opened without your approval has also been temporarily recognised from 1-6-50 to 31-12-51 in your Rc. 13743.E.4/50 dated 31-3-51.

The staff does not consist of even a secondary grade teacher. The Prevocational instructor has ceased to work with effect from 1-4-50 and the school does not satisfy staff regulations and conditions of recognition.

Sri Yellappa referred to in para 2 of the above letter is a Higher Grade teacher who has acquired by appearing privately for the S.S.L.C. Public Examination minimum marks prescribed for the teachers to appear privately for secondary grade examination. He cannot be under rules for recognition, permitted to teacher higher standards and act as Headmasters.

The staff at present has only 3 Higher Elementary Grade teachers on its staff. For the present strength and monthly attendance, 3 teachers are necessary, but the attendance at visits has to impove. Therefore there seems to be no need for further retrenchment in the staff, but the worthwilness of conducting seven standards, with three teachers not fully qualified, requires to be examined seriously as the evils of plural class teaching will tell upon the educational progress of an already backward sect.

The progress of the children as found at last inspection was unsatisfactory and it can reasonably be expected that the children of all higher standards know next to nothing.

This appears on the whole to a special type of higher elementary school existing only for purpose of statistics setting at nought rules of recognition and departmental requirements. The money spent on this school cannot get the desired return in the existing circumstances.

Your Roc. 4441/E.2/51 dated 18-4-51.

I have to offer the following remarks on the above cited letter of the Collector of South Kanara.

The strength and average attendance of the school as per monthly return of the school is slightly higher than those furnished by the Collector. The standards wise strength and attendance of pupils for February March and April 1951 are detailed below.

The accommodation available in the school is 180 only and the classes are now congested. If additional accommodation is provided to the school, strength and average attendance are likely to improve.

A lady teacher in the place of one of the existing higher elementary trained teacher was recommended to be appointed vide your E.Dis. No. 12935/E.2/50 dated 13-1-1951 and if this proposal is given effect to the strength and attendance of girls students may increase.

5. The school will not run on efficient lines if the post of one more teacher is abolished and hence the retrenchment of the post of a Higher Elementary Grade teacher in Cheruthur Harijan Welfare School is not recommended. He may kindly be recommended to be retained after 31-3-51

Subj:- H.W. Education - S. Kanara Dt. - H.W. Schools at Chennakkam and Puduperar - Continuance of staff - Proposals.

Ref:- From the D. Hw, letter No. G. 4807/57 dt. 24.8.51.

The sanctioned staff for the Puduperar H.W. Higher Ele. School in South Kanara Dt. is as follows:

1 Secondary grade teacher
4 H.E grade teachers
1 Prevocational Instructor.

The Coll^r has retrenched the posts of Secondary grade teacher and Prevocational Instructor for want of sufficient strength in the school. He now wants to revive the posts for the reasons stated by the D.E.O. at A on pp 4-5 C/F. The average attendance of the Lower standards is 74 and this justifies the retention of the three existing H.E grade teachers. For the standards VI and VII, the total average attendance of which is 22, there must be one Secondary grade teacher and Prevocational Instructor. The Sanction accorded for a year may therefore be permitted for these posts which were originally sanctioned in G.O. Ms. No. 641 P.W. dt. 14.7.49 ~~and continuance of these posts may be accorded for a period of one year.~~ The Dir. of Hw A. draft order is submitted for approval.

2. The sanctioned staff for the Chennakkam H.W. Higher Ele. School in South Kanara Dt. is as follows:

3 Secondary grade teachers
5 H.E grade teachers and

1. Prevocational Instructor

The average attendance at standard VII in the unit which is attached to the school is 113 which justifies the retention of only one H.E grade teacher and not two as stated by the D.I.Edn. The D.E.O. has also recommended for the retention of only one (HE grade) teacher. In the circumstances the post of one H.E. grade teacher may be retrenched. Apparently the College has retrenched their post but his action may be ratified. The draft order put up below for Finance.
